The authority of the Board of Directors is limited according to statutory authority of R.C. 715.72 to 715.81 and the powers conferred by this Contract applicable to the Western Ridge JEDD territory. The Board of Directors may adopt policies, procedures, and advance directives which may be administered by the Chairperson acting in conjunction with the Secretary.

16. **Board Activities.** The Board shall meet at least annually to review activities affecting the Western Ridge JEDD including but not limited to progress on intended improvements, development activities, services to the Western Ridge JEDD, and reports pertaining to the Western Ridge JEDD, planning affecting the Western Ridge JEDD, adequacy of services to the Western

The Board shall perform such other duties as may be directed by consent of the contracting parties from time to time.

The Township's Administrator shall serve as Secretary to the Board of Directors. The Administrator shall not serve as a Member and shall not have voting privileges. In the absence of a Township Administrator, Township may appoint a Secretary. The Secretary shall keep minutes of Board meetings, and shall keep records of all Board activities, functions, and operations which shall be available for public inspection during routine Township business hours.

The Secretary upon affirmative resolution of the Board or the fiscal officer of a contracting party may review Cheviot's records relating to taxation from the Western Ridge JEDD territory; provided, however, the record recipient is subject to and shall strictly comply with confidentiality provisions of R.C. 718.13 and the Cheviot Income Tax Codified Ordinance.

The Secretary upon affirmative resolution of the Board may request an independent review or audit of Cheviot's tax collection services, and collection procedures relating to taxation from the Western Ridge JEDD territory. The cost of the independent review or audit shall be treated as a collection related expense payable from JEDD gross income revenues.

The Secretary is authorized to issue and receive correspondence pertaining to Board activities and shall assist the Board with scheduling of meetings, organization of information, document preparation, and such other activities that pertain to Board functions and operations. The Secretary

may utilize Township facilities and Township staff in furtherance of Board activities.

The Board may apply for and receive and accept grants from governmental units or the private sector for Western Ridge JEDD related activities such as construction, maintenance, operation of any facility, research, and development for Western Ridge JEDD programs. The Board may also accept contributions in money or in kind for Western Ridge JEDD related activities.

The Board does not have authority to borrow money or to issue notes or bonds, or to assign, pledge, hypothecate, or encumber tax revenue without consent of the contracting parties.

The Board is authorized to do all acts and things necessary or convenient to carry out the powers granted in the Contract. If the Board's authority is unclear or if the Board desires expanded authority, the Board may request clarification of authority or additional authority from the contracting parties by consent.

17. **Income Tax.** This contract grants the Western Ridge JEDD Board of Directors

power to adopt a resolution to levy an income tax within the entirety of Western Ridge JEDD territory at a maximum rate of 1% for persons employed in the District, with a cap on each individuals's earnings to be \$100,000 in the first year of taxation, and adjusted annually on January 1<sup>st</sup> thereafter based on the Consumer Price Index published by the U.S. Bureau of Labor Statistics on September 30<sup>th</sup> of each year next preceding the January 1<sup>st</sup> adjustment date.

The resolution levying an income tax shall require the contracting parties to annually set aside a percentage of the amount of the income tax collected for the long-term maintenance of the Western Ridge JEDD; provided, however, the amount set aside shall not exceed \$1,000.00 annually without consent of the contracting parties. Not earlier than one (1) year after the effective date of the Western Ridge JEDD, the Board of Directors, with written consent of the contracting parties, may increase or decrease the rate of taxation on a prospective basis in an amount as the contracting parties agree to in writing; provided, however, that the applicable rate of taxation shall not exceed the lesser of the rate of the municipal income tax then levied by Cheviot or two (2%) percent.

The resolution levying the income tax shall be consistent with the provisions of the City of Cheviot Income Tax Ordinance, as it may be amended from time to time; subject however to exceptions, limitations, or other provisions in this Contract or according to law. The Board may designate those provisions of the Cheviot Income Tax Ordinance, as it may be amended from time to time, which are not applicable to taxation within the Western Ridge JEDD; provided, however, that the Board may not exceed the taxing authority permitted by the Cheviot Income Tax Ordinance without consent of the contracting parties.

The income tax is effective and collection shall commence on the first day of the month following the Board's adopting resolution, unless extended by action of the JEDD not to exceed

ninety (90) days after said resolution.

Any contracting party may request an independent audit of any aspect of revenue collection and distribution; provided, however, that the party requesting the audit shall bear the expense of audit, if applicable.

Cheviot shall administer, collect, and enforce the income tax on behalf of the Western Ridge JEDD. Cheviot's Director of Finance or his designee shall serve as the Tax Administrator of the income tax derived from the Western Ridge JEDD and shall be responsible for the receipt, safekeeping, accounting, and investment of income tax revenues pending disbursement. All receipts shall be deposited to a separate Western Ridge JEDD account that shall not be co-mingled with revenue from other sources. Earnings on the Western Ridge JEDD account and investments related thereto shall be added to the account. The Tax Administrator has authority to grant refunds and to compromise claims for tax, penalties, and interest. The Tax Administrator has authority to commence legal proceedings pertaining to delinquent tax collection and enforcement, and declaratory judgment regarding disputed interpretation and applicability of the Cheviot Income Tax Ordinance within the Western Ridge JEDD. The Tax Administrator is authorized to investigate and audit taxpayer returns and to issue subpoenas in furtherance of duties. The Tax Administrator is designated to be an interested party and is authorized to commence and defend legal proceedings in the name of the Western Ridge JEDD in any way pertaining to the income taxation within the Western Ridge JEDD.

The Tax Administrator shall report quarterly to the Board and contracting parties regarding receipt and distribution of income tax revenue including amounts retained in escrow. The Tax Administrator shall furthermore report quarterly regarding Western Ridge JEDD operating income

and expenses for the preceding quarter and shall provide short term and long range projections concerning anticipated income and expenses associated with Western Ridge JEDD operations. The Tax Administrator shall provide quarterly reports to the Secretary regarding all revenue with taxpayer sources. Such quarterly reports shall be subject to confidentiality covenants as more fully set forth.

The Tax Administrator shall pay one (1%) per cent of the gross income tax revenue into escrow. Escrow proceeds may be utilized to pay refunds, and in general to balance accounts. In the event of an escrow deficiency, the Tax Administrator may invoice the contracting parties according to their pro rata distribution to satisfy the deficiency. Invoices for deficiency are due and payable within thirty days from notice. At the end of each calendar year any escrow surplus shall be distributed as part of the net income tax revenue.

The levy of the income tax is necessary to effectuate the purpose of this Contract and after once levied any disruption of the distribution of the tax would prevent the parties from fulfilling their obligations under this Contract and may cause financial hardship. Therefore, once the income tax is levied, the Board of Directors is not authorized to cease the levy of the income tax unless authorized by amendment of this Contract.

For purposes of this Contract, "Net Revenues" means the gross proceeds of the collection of the net payroll portion of the Western Ridge JEDD income tax less (a) the amount allocated for the long-term maintenance of the Western Ridge JEDD as provided in the second paragraph of this Section 17; and (b) the amount placed in escrow as provided in the eighth paragraph of this Section 17.

The Tax Administrator is authorized and may contract on behalf of the Western Ridge JEDD

with a municipal income tax collection and administration agency (such as the Regional Income Tax Agency, "RITA") to perform the administration, collection and enforcement duties relating to the Western Ridge JEDD income tax as set forth in this Contract. The fees and expenses of such an agency shall be deducted from the City of Cheviot's portion of the Western Ridge JEDD income tax revenues and paid to such agency prior to distribution of those revenues as set forth in this Contract.

18. **Primacy.** The Western Ridge JEDD territory shall have primacy over residential status relating to collection of the income tax derived from individual earnings with the Western Ridge JEDD, notwithstanding provisions of the Cheviot Income Tax Ordinance which may be adopted to the contrary.

19. **Revenue Distribution.** Net tax revenue from the Green Township Western Ridge JEDD shall be paid at least quarterly to Green Township and the City of Cheviot, according to the following formula:

**City of Cheviot:**

20% of Net Revenue from the Earnings Tax.

**Green Township:**

80% of Net Revenue from the Earnings Tax.

20. **Allocation.** The contracting parties shall allocate a prorated portion of net income tax revenue to the Board of Directors adequate to meet operating expenses; provided, however, that the amount allocated shall not exceed \$1,000.00 annually without consent of the contracting parties.

21. **Contributions.** In furtherance of the economic development of the Green Township Western Ridge JEDD the contracting parties shall undertake with diligence the following improvements and services. The contracting parties acknowledge that priorities may shift according

to actual experience. The contracting parties shall cooperate with the common objective of facilitating economic development and serving public needs. The allocation of responsibilities is intended to be fair and equitable in relation to net tax revenue distribution:

**A. Township.**

1. The Township shall provide for the construction and improvement of such roads in the Township it deems appropriate to provide an improved transportation network to benefit the Western Ridge JEDD.

2. The Township shall furthermore provide expanded public services to the Western Ridge JEDD, for example, police protection, fire protection, civil defense, local government, administration, and so forth commensurate with economic growth. The Township expects to provide superior level of services in order to attract development and to support commerce once it is established.

3. The Township will enact proceedings necessary to provide the necessary funds to make the Public Infrastructure Improvements to Harrison Avenue required by the Development.

4. The Township will also enact proceedings necessary to provide the necessary funds to purchase the roadway to the emergency and outpatient healthcare facility that will be constructed by Western Ridge upon the completion of construction of the roadway.

5. The Township will also enact proceedings necessary to purchase approximately 0.75 acres of land along the north property line of the Development adjacent to the single family homes on Snyder Road for greenspace purposes and to buffer the development.

6. The total amount to be paid by the Township for the roadway and greenspace will be an amount not to exceed \$1,250,000.00 less the cost of the Public Infrastructure

Improvements to Harrison Avenue paid by the Township.

7. Participating in Western Ridge JEDD revenues may enable Township expenditures in furtherance of improvements which are already planned and utilization of tax increment financing and inter-governmental agreements pertaining thereto also in furtherance of improvements.

The improved transportation links from the Western Ridge JEDD to surrounding areas are critical for economic development involving improved access for customers and employees, as well as vendors, service providers, suppliers, and such engaged in the stream of commerce.

Intended contributions assume adequacy of net tax revenues, anticipated revenues, funding from other sources, and availability of financing upon acceptable terms in order to provide necessary funding for projects and services. As of the date of commencement of the Contract, the contracting parties do not have specific revenue projections and final construction estimates to enable defined improvements and improvement schedules. Nevertheless, the contracting parties shall exercise due diligence in planning for improvements and undertaking construction in furtherance of economic development to benefit the Western Ridge JEDD, the contracting parties, Hamilton County, and the State of Ohio.

B. **Cheviot.** Cheviot shall, upon request of the Western Ridge JEDD Board, provide financial services to the Secretary for analysis of economic activity affecting the Western Ridge JEDD. The scope of services is limited to utilization of Cheviot's available personnel. The services contemplated by this section are limited to collections, distribution and a review and analysis of economic activity pertaining to the Western Ridge JEDD. Cheviot has established departments with capable personnel and is able to provide these limited services in furtherance of its participation.

Cheviot shall be responsible for the costs of administering, collecting and enforcing the income tax whether incurred by the City of Cheviot or by a municipal income tax collection and administration agency in accordance herewith and with the tax administration agreement between the City of Cheviot and the Western Ridge JEDD. Notwithstanding the foregoing, the Township shall contribute a one-time sum of \$5,000.00 to the City of Cheviot to help defray the cost of computer hardware and software upgrades to be purchased by the City of Cheviot. This sum shall be due and payable upon the ratification of this Agreement and the purchase of the computer upgrades by the City of Cheviot.

C. If the income tax levied by the Western Ridge JEDD Board pursuant to this Contract is determined to be invalid or unenforceable pursuant to a final, non-appealable judgment of a court of competent jurisdiction or by act of law, the contracting parties have no further duty to make aforesaid contributions under this Contract.

22. **Financing.** This Agreement shall not be construed as a limitation upon the contracting parties to use tax increment financing, improvement districts, special assessments, or other public financing mechanisms which are available, or which may become available, to fund capital improvements, maintenance, or other costs associated with contributions (e.g., road projects). Furthermore, this Contract shall not be construed to restrict any of the contracting parties from requiring any property owner, operator, or developer (as the case may be) to construct internal improvements such as roads, utilities, or surface water detention, or to participate in the cost in whole or in part of public improvements necessitated by development activity or expanded usage as a condition of approving the proposed activity. In furtherance of the economic development plan, the contracting parties may exercise lawful authority for public acquisition when necessary or

appropriate to carry out projects and improvements inside and outside of the Western Ridge JEDD territory.

23. **Facility Ownership.** Public facilities, including interests in real property which are acquired, developed, or constructed by a contracting party in furtherance of this Contract, shall be owned, operated, and maintained by that contracting party, unless otherwise agreed. Termination or expiration of the Contract shall not affect ownership of public facilities, including interests in real property located within the Western Ridge JEDD territory regardless of method of acquisition or contract purpose pertaining thereto.

24. **Third Party Service Providers.**

A. **Water.** The Greater Cincinnati Water Works supplies public fresh water distribution to the Western Ridge JEDD territory. To the extent authorized by law, the Township may establish special assessment procedures for the levy and collection of assessments to recover for the Greater Cincinnati Water Works the costs associated with capital improvements to the water distribution system which may become necessary to support development. In addition, the Township may enter into inter-governmental agreements and third party developer compensation agreements in furtherance of extending adequate supply of water to the Western Ridge JEDD.

B. **Sanitary Sewer.** The Metropolitan Sewer District supplies sanitary sewer service to the Western Ridge JEDD territory. To the extent authorized by law, the Township may establish special assessments procedures for the levy and collection of special assessments to recover the cost of capital improvements to the sanitary sewer system which may become necessary to support development. In addition, the Township may enter into inter-governmental agreements and third party developer compensation agreements in furtherance of providing adequate, sanitary sewer

service to the Western Ridge JEDD.

C. **Electric and Gas Service.** Duke Energy is the utility supplier of electric and natural gas to the Western Ridge JEDD territory. To the extent permitted by law, the contracting parties may enter into reimbursement agreements associated with relocating utility distribution lines or other fixtures for road improvements or other public improvements. Deregulation of utilities may enable new opportunities associated with purchase and supply of energy (I.e., electric and natural gas). The contracting parties shall cooperate with one another in undertaking new ventures, investigating new technologies, conservation programs, and financial programs in furtherance of extending adequate energy at competitive rates to the Western Ridge JEDD territory.

25. **Annexation.** Cheviot shall not annex any property located in the JEDD so long as this Contract is in effect. The contracting parties shall cooperate in resisting any annexation, merger, or consolidation process involving Green Township Western Ridge JEDD territory to any third party governmental unit or political subdivision (i.e., other township or municipality); provided, however, Cheviot is not required to be a party to litigation or to participate in litigation expense with regard to any annexation, merger, or consolidation process involving Green Township Western Ridge JEDD territory.

26. **Real Property Taxation.** The creation of the Western Ridge JEDD shall not be construed to affect real property taxation within the Western Ridge JEDD territory and shall not affect the Township's distributive share of real property tax revenue.

27. **Filing.** The Green Township Administrator shall file this Contract with the Director of Development after it becomes effective.

28. **Recording.** The Green Township Administrator shall record this Contract, together

with certified copies of the resolution and ordinances of the contracting parties approving the contract, with the Hamilton County Recorder after it becomes effective.

29. **Integration.** The Contract (upon final approval as revised) with attached exhibits and materials incorporated by express reference represents the entire agreement of the parties and supersedes prior drafts and negotiations. The parties and their respective successors, assigns and transferees, agree to execute any further contracts, agreements, documents or instruments as may be reasonably necessary to effectuate the purpose and intent of this Contract. To the extent permitted by this Contract, and in compliance with all laws and resolutions and ordinances controlling this Contract, the parties and their respective successors, assigns and transferees, specify that any amendment must be in writing and signed by the applicable parties.

30. **Amendment.** The contracting parties may amend the Contract to add areas to the Green Township Western Ridge JEDD in compliance with R.C. 715.761, or as said section may be amended from time to time. Amendment to add areas requires unanimous consent of the contracting parties.

The contracting parties reserve the right to amend any provision of the Contract from time to time and to provide Board directives upon approval of all contracting parties. Furthermore, one or more of the contracting parties may enter into independent inter-governmental agreements with one or more contracting parties or non-contracting parties which may be consistent with and in furtherance of the economic development plan and the public purpose stated in this Contract.

31. **Consent.** Any consent of the contracting parties pursuant to this Contract or in furtherance of performance thereof shall be in writing with the concurrence of all contracting parties.

32. **Default.** Non-performance of a contractual duty, unless excused by consent or by

operation of law shall constitute a default. A contracting party who questions another party's ability to perform may request adequate assurances in lieu of declaring a default. Any party who contends the existence of a default shall provide notice declaring default to the other contracting parties. A defaulting party shall have sixty days in which to cure the default or to indicate action intended to cure the default by substantial performance as soon as practicable.

In the event that a default is not cured, the party who contends the existence of a default may initiate legal proceedings. In the alternative to judicial legal proceedings, the contracting parties may consent to alternative dispute resolution. The parties acknowledge that specific performance and other equitable remedies may be appropriate to assure Contract performance due to the potential for irreparable harm upon a default.

33. **Force Majeure.** Performance of contractual duty is excused to the extent that an event or occurrence beyond the control of a contracting party (e.g., act of God, intervening action of independent governmental authority, act of war, riot, labor stoppage or strike, national or regional tragedy, and so forth) makes performance impossible or impracticable so long as the affected contracting party did not control the circumstance, or anticipate and accept the risk.

34. **Venue.** The contracting parties stipulate that Hamilton County Court of Common Pleas shall have exclusive venue over legal proceedings between the contracting parties.

35. **Termination.** This Contract may be terminated by consent of the contracting parties; provided, however, the following conditions precedent are applicable before termination is effective:

A. The legislative actions of the contracting parties must become effective within ninety days of one another;

B. The termination shall not become effective sooner than ninety days after the

last of the contracting parties' action in furtherance of termination becomes effective; and

C. The termination agreement shall provide for distribution and refund (if applicable) of the income tax revenue derived from the Western Ridge JEDD to the respective parties who paid the taxes.

In the event that any improvement projects associated with the Western Ridge JEDD are incomplete as of the effective date of termination, the contracting parties shall provide for payment of their respective contract obligations associated with such projects which may become due after termination.
