

The history of Cheviot is filled with names that repeat themselves. Names such as Neiheisel, Carson, Armstrong, and Applegate, among others, have withstood the test of time and will live on in the stories we tell our children and grandchildren. Cheviot's past will blend with its present and become its future. This happens because Cheviot is a family-oriented community. We have family values and family roots that go deep in Cheviot's heart. People grow up here, go to school here, live their lives here, and have children who tend to do the same. The life cycle repeats itself, and some names become legendary.

Now, you too, can engrave your name in Cheviot's present, become a part of its past, and live on in Cheviot's future. Put your name, names of family members, friends, or even beloved ones on a Commemorative Brick. Become a part of Cheviot's history!!!

Cheviot turns 200 in 2018. To memorialize the bicentennial, the City of Cheviot is bringing back the Commemorative Brick Program, similar to the program back in 1993 when we celebrated our 175<sup>th</sup> anniversary. Proceeds from the sale of those bricks were used to help offset costs to kick off our bicentennial year, which included the fireworks display on January 6, 2018.

These new bricks are available for a donation of \$50.00 each and will be placed at the Cheviot Memorial Fieldhouse around the recently restored cannon in the spring of 2019.

Businesses, churches, and civic groups are encouraged to participate as well. Order yours today.

*Note: The bicentennial committee reserves the right to censor anything that is deemed inappropriate. No refunds or cancellations on bricks after order is processed.*

Brick Size is 4x8"
