DEPARTMENT OF SAFETY  
DIVISION OF FIRE  
CITY HALL

ROBERT KLEIN  
FIRE CHIEF

---

## **Division of Fire Report** **2nd Quarter Report 2017**

Members of Council,

During the first two quarters of 2017 the Fire Department responded to 791 runs and 204 fire runs. Our Fire Inspectors completed 23 fire inspections, and four fire prevention actives were held in the city. The department installed 58 car seats and trained 540 hours in fire and EMS. Fire hydrants were serviced and painted as needed.

The Fire Department is back to full staffing (7) full time (23) part time employees We completed a yearly service on our extrication tools. We have replaced (5) set of expired turnout gear, and (9) expired air bottles. The department also replaced one of the obsolete heart monitors. We will need to start thinking about replacing our 2006 ambulance in the next couple of years; we recently had to have a rebuilt transmission and differential parts installed. We rotate the squads monthly to keep the miles and wear and tear down on our 2013.

The Fire Department maintains most of our own vehicles and equipment. Weekly checks are done on all vehicles, breathing apparatus, saws, smoke ejectors, and extrication equipment. Daily checks are done on both squads, and fire apparatus. The personnel clean and disinfect the firehouse daily. The fire department also maintains the fuel log for city hall and measures the fuel levels daily.

Respectfully Submitted,

Chief Robert Klein
