Re: Police Department Quarterly Activity Report

As a part of our ongoing effort to increase awareness of our Department's efforts to combat crime in the City of Cheviot, we have created this report.

In the second quarter of 2017, our police department activity included, but not limited to:

Nine (9) Felony arrests including

- Drug violation
- Overdose
- Domestic Violence
- Assault on a police officer

Seventy-Five (75) Misdemeanor arrests, which included

- Drug Abuse
- Theft
- Assault
- Criminal Trespass

Seventy-Five (75) Traffic charges, including:

- Thirty-Eight (38) cited for Speeding
- Eleven (11) cited for DUS
- One (1) OVI

Eighty-Nine (89) arrests of subjects with outstanding warrants from other jurisdictions as well as Cheviot FTO's Cheviot, including 1 Felony warrant

Included is a newly-found feature on our reporting system which allows us to pin-map different runs and details which were dispatched or officer generated. This list does not include details in which the complainant did not wish a report. They are as follows:

Twenty-Four (24) Auto Accidents

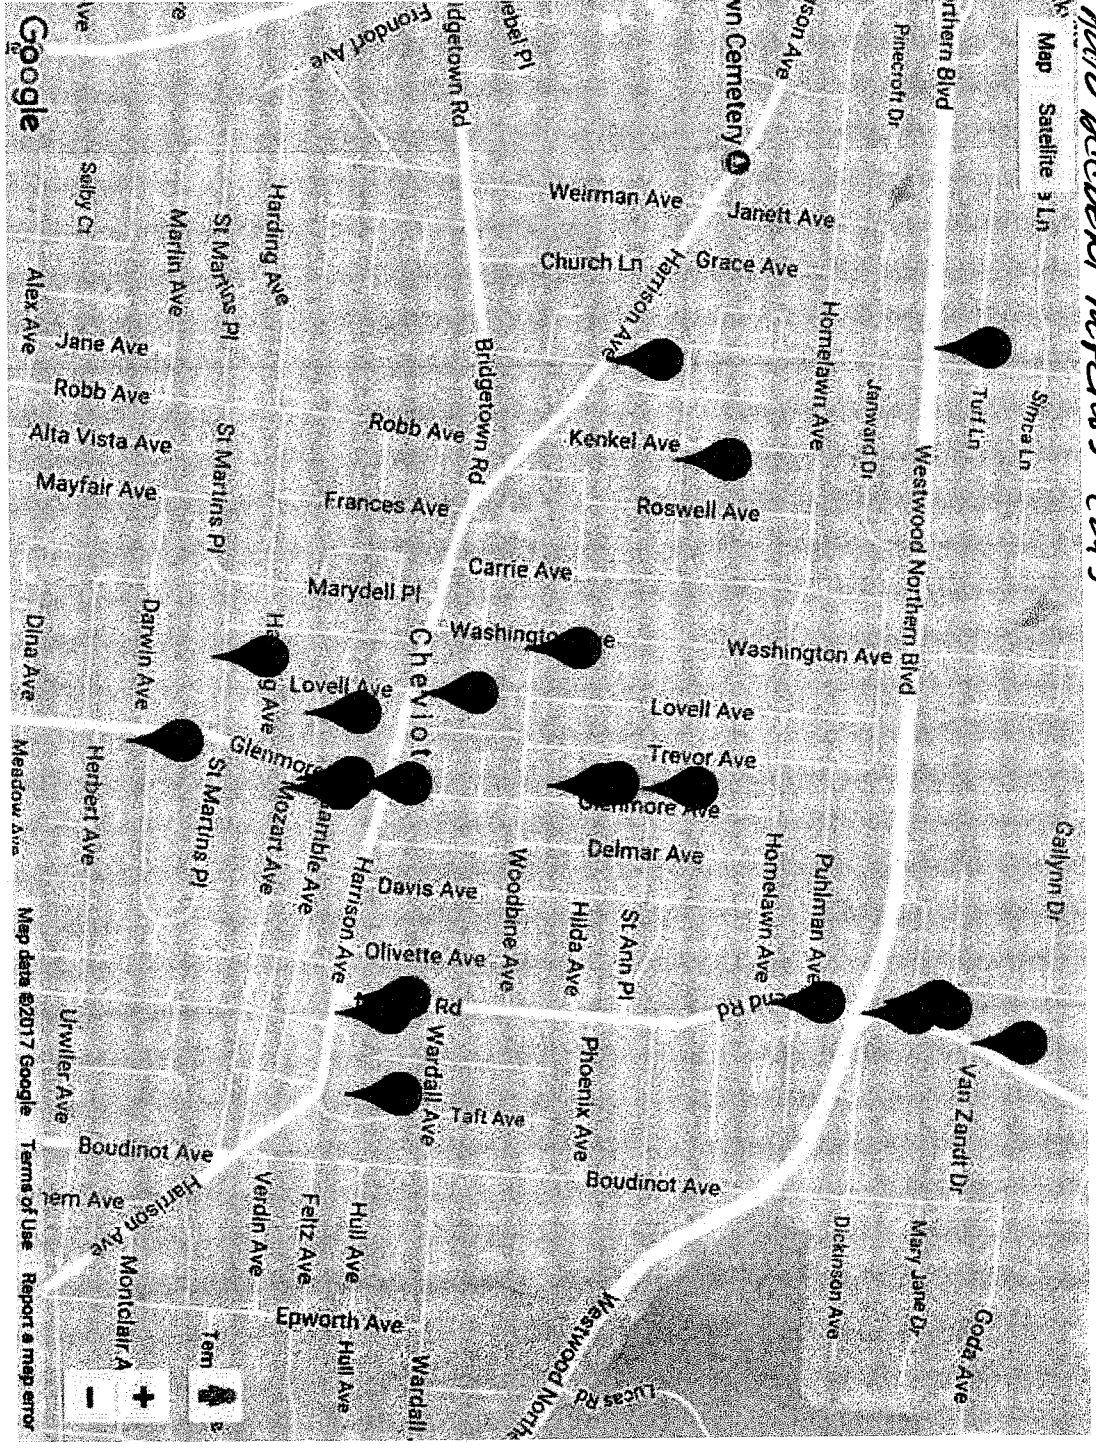

Forty-Seven (47) Theft Reports

Eight (8) Burglary Reports

Sixteen (16) Overdoses

At this time, I am only able to print the raw map. It cannot be exported to another program, which would allow me to add alpha and/or numeric information.
