FIRE CHIEF

Division of Fire Report Monthly Report 2018

Mayor Keller,

During the month of March, the Fire Department responded to 112 EMS runs and 35 fire runs. Our Fire Inspectors completed 12 fire inspections, and nine fire prevention actives were held in the city. The department installed 9 car seats and trained over 180 hours in fire and EMS. Fire hydrants were serviced and inspected.

Many EMTs and Paramedics recertified by attending 48-hour refresher courses that began in Jan. and ended in March. The Fire Department issued two new business permits; 3627 Glenmore Old School Candy Store and 3511 Harrison TBD Dance Co.

We are currently updating the Plymovent System with the \$14,166.44 grant we were awarded at the end of last year for the Firefighter Cancer Initiative. The Fire Department maintains most of our own vehicles and equipment. Weekly checks are done on all vehicles, breathing apparatus, saws, smoke ejectors, and extrication equipment. Daily checks are done on both squads, and fire apparatus. The personnel clean and disinfect the firehouse daily. The fire department also maintains the fuel log for city hall and measures the fuel levels daily.

Respectfully Submitted,

Chief Robert Klein
