Division of Fire Report
Monthly Report April 2018

Mayor Keller,

During the month of April, the Fire Department responded to 97 EMS runs and 37 fire runs. Our Fire Inspectors completed 3 fire inspections, and six fire prevention actives were held in the city. The department installed 11 car seats and trained over 90 hours in fire and EMS. Fire hydrants were serviced and inspected.

We are currently updated the Plymovent System with the \$14,166.44 grant we were awarded at the end of last year for the Firefighter Cancer Initiative. The Fire Department maintains most of our own vehicles and equipment. Weekly checks are done on all vehicles, breathing apparatus, saws, smoke ejectors, and extrication equipment. Daily checks are done on both squads, and fire apparatus. The personnel clean and disinfect the firehouse daily. The fire department also maintains the fuel log for city hall and measures the fuel levels daily.

Respectfully Submitted,

Chief Robert Klein
