Division of Fire Report
August 2018 Monthly Report

Mayor Keller,

As of September 1st, the Fire Department responded to 274 Fire Runs and 903 Squad runs. Our Fire Inspectors have completed 92 fire inspections and participated in 56 fire prevention activities. The department installed 78 car seats and trained over 810 hours in fire and EMS. Fire hydrants were serviced and painted as needed.

As of today, all of the fire trucks have been pump tested, ladders tested, and yearly maintenance is completed. Extrication equipment has been tested and yearly maintenance finished. Our SCBA bottles have been hydrostatically tested, serviced, and the breathing air system has been serviced and air quality samples have passed inspection. Hose testing will begin at the end of the month.

The Fire Department issued five new business permits this year; 3627 Glenmore Old School Candy Store, 3511 Harrison TBD Dance Co., 3639 Glenmore M & G Upscale swap shop, 3412 Glenmore Avenue Starter's Café, and Budget Max Car Sales 4308 Bridgetown Road.

The Fire Department maintains most of our own vehicles and equipment. Weekly checks are done on all vehicles, breathing apparatus, saws, smoke ejectors, and extrication equipment. Daily checks are done on both squads, and fire apparatus. The personnel clean and disinfect the firehouse daily. The fire department also maintains the fuel log for city hall and measures the fuel levels daily.

Respectfully Submitted,

Chief Robert Klein
