TOPIC UNDER DISCUSSION: REGULATING YARD SALES IN CITY OF CHEVIOT

After much discussion and input from the Law Director and the SSD, it was the decision of Committee and all in attendance that our best and most effective option is to give the SSD authority to regulate Yard Sales as was done with Garbage Rules and Regulation some years ago, making it a Minor Misdemeanor not to abide by the established Rules and Regulations. This would require that Council pass an Ordinance giving SSD such authority to set these Rules and Regulations, and that the Penalty for non-compliance be included in this Ord.

The committee recommends that Council pass such an Ord. and suggests the SSD consider including the following Regulations:

1. Limiting the number of days per calendar year a Yard Sale may be held to (6) six at any given address – (Participating in the City Wide Yard Sale, would not count toward this number).
2. Merchandise must be removed daily from dusk to dawn each day.

The Committee also recommends these Rules and Regulations be posted on the City Web Site and in a local newspaper to make residents aware.

The meeting adjourned at 7:02PM.

Respectfully submitted:

Kathleen Zech – Chair

Jim Sunderhaus

Rae Jean Hardig

Alana Tucker
