

Parks, Playgrounds and Public Utilities Committee Meeting:

Cincinnati Water Works Lead Line Replacement Program

Meeting took Place at Cheviot City Hall in the Council Chambers

Date: December 10th, 2019

Meeting started at 7:00pm

Present at the meeting: Committee Members: Gail Griffin and Chair Amy Richter. Council members: Jim Sunderhaus, David Voss.

Chair- Amy Richter provided additional information to those present : Cheviot has 1,603 Lead Service Lines, 931 properties with private- side, information regarding the assessment agreement, additional cities are in Lead program.

Due to lack of attendance from the committee members and needing additional information from Law Director, meeting will be re-scheduled, when others can attend.

Meeting ended 7:15pm

Respectfully Submitted:

Amy Richter- Chair

Gail Griffin
