**City of Cheviot**  
DEPARTMENT OF SAFETY  
DIVISION OF FIRE  
CITY HALL

ROBERT KLEIN  
FIRE CHIEF

---

**Division of Fire Report**  
**April 2020 Quarterly Report**

Mayor Keller,

As of April 1st. the Fire Department responded to 89 Fire Runs and 394 Squad runs. Our Fire Inspectors have completed 20 fire inspections and participated in 3 fire prevention activities. The department installed 7 car seats and trained over 180 hours in fire and EMS. fire hydrants were serviced and painted as needed.

The Fire Department issued 1 new business permit this year.  
3818 North Bend Avenue Dream Chasers Beauty Lounge

The Fire Department has had great success in obtaining PPE to this point; fire inspections, tours, PR events, and car seats have been put on hold due to the pandemic. Strict PPE rules are in effect and major decontamination of all vehicles, equipment, and the station was implemented with 100% compliance. Temperatures are being done before and after every shift. No family members or citizens are permitted in the fire department and we are limiting contact with all other city personnel.

The City Safety Committee has been meeting weekly via Zoom. I am also meeting weekly via zoom with the Western Hamilton County Fire Chief's Assn.

The Fire Department continues to maintain our own vehicles and equipment. Weekly checks are being done on all vehicles, breathing apparatus, saws, smoke ejectors, and extrication equipment. Daily checks are being done on both squads, and fire apparatus. The personnel clean and disinfect the firehouse twice daily. The fire department also maintains the fuel log for city hall and measures the fuel levels daily.

Respectfully Submitted,

Chief Robert Klein
