Officer Commendations

In June of 2021, PO Courtney was presented a Letter of Commendation by Sgt. Dietrich. Officer Courtney's proactive patrol and attention to detail led to the safe arrest of a suspect and recovery of a stolen vehicle. After making the initial stop for a traffic infraction, the suspect was found to be wanted in Cincinnati for questioning involving another serious crime. Additionally, the owner of the vehicle was not aware it had been stolen when officers arrived at his home to verify the status of the vehicle stopped. The owner was transported by Sgt. Dietrich to the scene, vehicle returned, and the owner was barely late for work.

Sgt. Patton and PO Wagoner received a thank you card from Cheviot United Methodist Church for their assistance in helping with traffic control during a retirement parade for their Pastor.

I received a verbal appreciation from a Cheviot citizen who advised PO Peacock talked her down over the phone when she was having a panic attack. The caller had become concerned over an issue with a family member and advised me she was able get in control of herself through PO Peacock's helping words.

Information of note

We have received final certification on 1 Ohio Collaborative mandate and provisional certification on 2 Ohio Collaborative mandates. While all 9 mandates which apply to our department have been submitted, they are still under review by the Ohio Collaborative Advisory Board.

As of this writing officers have removed 14 firearms from the streets of our community since the first of the year.

The suspect of our November 25, 2020 Rohes Pharmacy robbery was recently convicted for his crime. He is awaiting sentencing at this time.
