Cheviot Fire Department

Mission Statement

It shall be the mission of the Cheviot Fire Division to minimize life loss, human suffering, and damage caused by fire and any other emergencies within the community. We shall accomplish these goals through incident response, public education, and code management.

The Fire department and the Historical Society found Cheviot's 1929

2021 Statistics

The Cheviot Fire Division

Responded to 473 fire runs. The total fire loss estimated was approximately $2,400.00 dollars.

The fire department assists in educating, installing, testing and replacing old batteries in smoke detectors throughout the year.
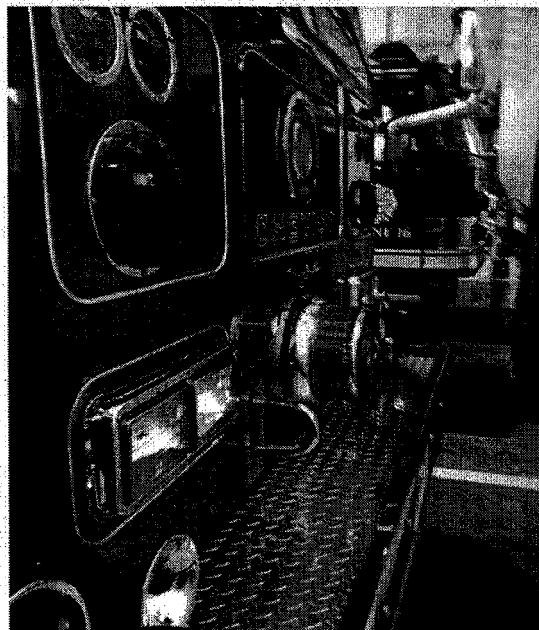

The Cheviot Division of EMS

Responded to 1724 emergency medical calls (highest number on record). Revenue generated from EMS billing for 2021 was approximately $268,000.00 (record amount collected) Total Runs 2197 (186 more than last years record)

The Cheviot Fire Prevention Division conducted 102 fire Inspections, installed 35 car seats, held 30 prevention activities including events, and parades. 10 new business occupancy permits were issued.

The fire department provides a juvenile fire setter program to educate and assess children that have set fires or were caught playing with matches.

We provide educational programs during fire prevention month for both elementary schools and several other preschools in the area.

The Department added a 4th part-time FF/EMT on shift to offset the overwhelming emergency run numbers.

Maintenance:

The Fire Department spends thousands of hours yearly maintaining, testing, and repairing our vehicles and equipment saving the city thousands of tax dollars.

Fire Hydrants are serviced, and tested monthly. (250 hydrants were painted this year and serviced year round.)

The department maintains, cleans, does minor painting, and maintenance on the fire department side of the building on a daily basis.

Our department aids the police and maintenance departments during throughout the year with clearing downed trees, sewer flushing, hanging flags, traffic control, resident lock outs etc.
