**Information of note**

One cruiser (2021 Dodge Charger) was ordered and received in the last quarter of 2021. It is currently in service.

Beginning on Nov 21, 2018 our Police Department was issued Narcan. This was issued to officers so they or their partners may administer it in the event an officer becomes overtaken by the effects of an opiate/fentanyl. Additionally, officers may administer the drug to overdose victims if that may be done so in a safe environment for all concerned.

We are currently in compliance with the Ohio Collaborative.

Cheviot Police have made changes in our pursuit policy keeping in line with Hamilton County agencies as well as the Ohio Collaborative.
