Information of note

One cruiser (2021 Dodge Charger) was ordered and received in the last quarter of 2021. It is currently awaiting outfitting at Mobilcomm.

Our new RMS (Sundance) is currently up and running. Calendar year 2021 represents the first full year of its implementation.

Cheviot officers logged 778 hrs of training for the 2021 calendar year. Due to COVID-19 much of the training was accomplished on-line.

Beginning on Nov 21, 2018 our Police Department was issued Narcan. This was issued to officers so they or their partners may administer it in the event an officer becomes overtaken by the effects of an opiate/fentanyl. Additionally, officers may administer the drug to overdose victims if that may be done so in a safe environment for all concerned.

One of our officers resigned at the end 2021. We are currently administering a test to replace that position.
