**Parks and Recreation**

Sept 10, 2014 @ 8:15 pm – 8:45 pm

Present:

**Committee Members:** Bill Clark (Chairman), Kitty Zech, Dennis Dinkelacker and Amy Richter

**Council:** Jim Sunderhaus and Jim Martin

**Public:** Steve Greenbaum

The Parks and Recreation Committee met on Wednesday September 10, 2014 at 8:15 pm to discuss the current finances of the Cheviot Pool and to plan the swim season for next year. Tom Braun had sent this writer the current and projected finances for the Cheviot Pool and these numbers were briefly discussed. Mayor Keller also sent this writer an email explaining that he wishes to see that the pool not be closed based on the current and projected finances of the Cheviot Pool.

This writer recommended that we campaign for sponsors in order to offset some major repairs that will be forthcoming on the pool. This writer will come up with a proposed sponsorship level list and submit to the committee and administration for feedback and consensus.

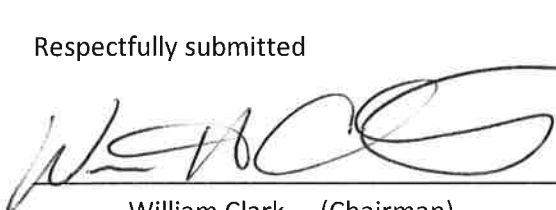

It was further discussed of possibly renting out the Cheviot Pool in order to generate revenue to offset expenditures.

The idea of closing early on certain days, swim lessons and senior water aerobics was also discussed.

All issues will be further discussed in late winter / early spring of 2015, once sponsorships of the pool have been distributed and received back.

Meeting was adjourned at 8:45 pm.

Respectfully submitted
