During this time it was questioned when Council might begin receiving reports from the Treasurer's office again. Mayor Keller reported that he would speak with Mrs. Hardig and he felt certain that the reports would be forthcoming in the new year. Mr. Voss motioned to suspend the rules. Second by Mr. B. Smyth. Motion to adopt was made by Ms. Hawk, second by Mrs. Richter. All motions carried unanimously.

**Administrative Reports:**

**Mayor Keller** reported that the Finance Committee will be calling some meetings in the new year to discuss increasing revenue for the city. The City is solvent for 2022 and probably 2023, but looking to 2024 and beyond, some new revenue will be needed to maintain the level of service that we currently have.

**Safety Service Director Braun** reports that the Herbert/Florence/Alta Vista project is nearing completion. The final component will finish in the spring of 2023. The HVAC system at Harvest Home Lodge is almost done. There is heat in the building now. The SORTA – Applegate Improvements project has been approved. The application for OPWC funds to complete resurfacing of Tangent, Selby, Grotto and Alex was denied. We will reapply during the next round. There is still no news on the Marathon station.

**Public Recognition On Other Issues:** Vic Vidas, owner of Rootie's voiced concerns over recent acts of violence and vandalism at and around his bar as a result of disorderly conduct on the part of patrons of Game Time. Police Chief Stone was in attendance in the meeting and was able to step in and lend some insight in how his officers respond to calls to Game Time. There was some very constructive discussion between Mayor Keller and Mr. Vidas on how the laws work at the state level when called to revoke or suspend a liquor license.

**Other Business** A letter was received by the Clerk from some un-named residents on Applegate Ave. who expressed concern stemming from recent events on their street. Police Chief Emmett Stone was present at the meeting and reported that we had been able to speak with the residents and allay the fears of the residents over recent high levels of police presence.

Mr. Hardig announced his absence from the December 20 meeting.
