The BUILDING, ANNEXATION & ZONING COMMITTEE meeting on May 16th 2023, began at 9:00pm. The meeting was called to move forward in regards to implementing plans for community murals, branding and artwork in the City of Cheviot. The committee is in general agreement with the idea of moving forward to legalize a limited number of murals.

The law director has previously advised the committee that any legislative action be content neutral and clearly state the compelling interest the City has to regulate the mural or speech. The Zoning committee is asking the law director to draft legislation based on the Dayton Ohio example that was previously shared with the committee. Once the committee receives a draft from Ms. Rohr, we will begin the process of fine tuning the quantitative details of the ordinance. The meeting was adjourned at 9:20pm

The committee will plan to meet again July 18th to finalize the language in the legislation. Respectfully submitted this 6th day of June, 2023.
