The ZONING COMMITTEE meeting on January 16th 2024, began at 7:00pm. The meeting was called to review discuss and evaluate the current moratorium on Medical Marijuana Businesses in the city of Cheviot and to determine what if any action should be taken as it relates to the recent changes in Ohio law regarding Recreational Marijuana.

There were a variety of opinions among council members regarding the legalization of Recreational Marijuana and Medical Marijuana and how this legalization may effect our city. Several years ago regulations were put into place to temporarily keep dispensaries from operating in the city.

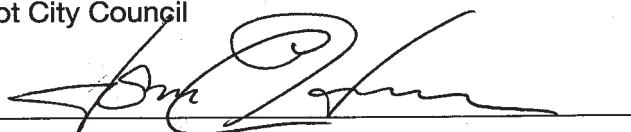

The Committee reviewed the recent Recreational Marijuana ballot issue results ward by ward in Cheviot and noted that there was wide support for the ballot issue among Cheviot voters.

The committee wishes to consider legislation or zoning changes to discontinue the current moratorium on Medial Marijuana related businesses. This committee is therefore requesting the advice of the Law Director to draft appropriate legislation so council can vote to determine if the moratorium should be removed.

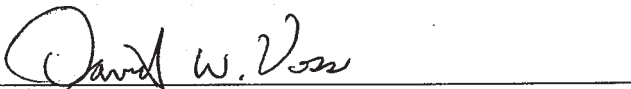

The committee also wishes to get input from the Mayor, Police Chief, and Fire Chief prior to making any changes.

The meeting was adjourned at 7:30pm.  
Respectfully submitted this 6th day of February, 2024.
